

How To Make A CD Mini Album

The Basic Necessities!

- Old CD's or DVD's (minimum 3)
- Paper of choice
- Jump Rings
- Ribbon & Embellishments of choice
- Paper trimmer/Scissors
- Adhesive of choice
- Sanding Tool
- Hole Punch (Recommend Crop-A-Dile)

Directions:

- Trace and cut out your cd's onto the paper of choice. Both sides)
- Glue paper to each cd (Glue evenly and let dry)
- Trim any overhang and distress edges
- Embellish cd pages as desired
- Add photos
- Punch hole (or holes for jump ring) (Once the cd's are dried entirely)
- Tie ribbon or fiber on jump rings

(Sample of covered CD)

CD Tips:

You can add tags, die cuts, embellishments etc. to the outside of your box.

You can ink edges

Mod Podge also works as a great adhesive

Cover cd entirely with larger photos (5x7 is a great size)

Mini cd's are also fun to work with or to even add some to normal size. (How about using old records?)

Use your imagination to come up with many ideas.
