### It's Fair Time

### October 02nd thru 08th

*Come join us on Monday October 02nd to watch the parade downtown at 10 am! Make sure to visit the fairgrounds to view all the exhibits in the Arts & Crafts building. Then come in and scrapbook those fair pages with the new "Fair" lines we have in.*

*Here we are again—Getting ready for the fast paced holiday months. Where did the time go to? There's no time like now than to start those homemade holiday gifts and cards.*

*New products are still arriving in daily from CHA—Chicago, and here we go off again- to Las Vegas for Memory Trends the 2nd week of October!*

*Remember October is National Breast Cancer Awareness Month—Support the Cause.*

## EMBELLISHMENTS IN SCRAPBOOKING

### ARE THE EMBELLISHMENTS YOU'RE USING ON YOUR SCRAPBOOK PAGES SAFE?

What you may not know about the embellishments you are adding to your scrapbook pages! Did you know some embellishments contain materials that will discolor your paper? Or gases that will age your photos? Acid that will deteriorate your pages? Oils that will stain? Metals that can scratch & harm your photos? Dyes that will bleed & spread? We all want to add that favorite embellishment to our pages, but remember not ALL embellishments are equal.

**FABRIC**– Contains no acid. However check the dye in fabrics for colorfastness to ensure it does not bleed.

**METALS**– Copper, Zinc, Iron, Tin & Brass can tarnish & rust leaving stains on your pages. Aluminum & gold are inert & do not react with paper & photos.

**PAINTS**– Do not contain acid but can contain lead. Use only lead-free paints.

**PLASTICS**– Vinyl is an unsafe plastic. It leaves droplets of harmful plasticizers & emits chlorine gases.

**WOOD**– Wood naturally has acid & lignin in it. All wood should be coated. If acid & lignin free paper comes in contact with untreated wood, the acid & lignin will be reintroduced back into the paper.

*Make sure you are only using archival safe products for your scrapbook pages.*

Mark your calendars- Wanda Henline will be arriving here on October 27<sup>th</sup> & 28<sup>th</sup>-

For our 1<sup>st</sup> Holiday Creative Extravaganza. Wanda will be bringing her expertise to our store and will be doing Tool Demonstrations, Projects, and Make –N- Takes. Take this opportunity to stop by our store during this weekend event, maybe learn a new technique, have a cup of coffee, learn how to make those “home made” holiday gifts & cards or just enjoy some great friendship. We will be having some door prizes and giveaways, so come on by and join us for this fun filled, creative weekend.
