DID YOU KNOW????

The egg has been celebrated for centuries as a symbol of life, fertility, and love.

All I Need to Learn about Life I Learned From the Easter Bunny!

Don't put all your eggs in one basket.
Walk softly and carry a big carrot.
Everyone needs a friend who is all ears.
There's no such thing as too much candy.
All work and no play can make you a basket case.
A cute little tail attracts a lot of attention.
Everyone is entitled to a bad hare day.
Let happy thoughts multiply like rabbits.
Some body parts should be floppy.
Keep your paws off other people's jellybeans.
Good things come in small-sugarcoated packages.
The grass is greener in someone else's basket.
An Easter bonnet can cover the wildest hare.
To show your true colors you have to come out of the shell.
The best things in life are still sweet and gooey.

Do you have tools, papers, embellishments you know longer can use? Why not “swap” them out? On Saturday April 07th from 1-3 pm we will have open tables for our customers to trade with one another. So come on by and trade something.
