HAPPY THANKSGIVING

Can you believe that it is already NOVEMBER?

What does this time of year mean to you? **Thanksgiving** means something different to almost everyone-- How do you celebrate the day? Do you have favorite memories of this holiday?

Thanksgiving in my home is a long time tradition of family coming together. All my family and all of Ronnie's family come to our house on Thanksgiving Day.

All the kids enjoy this special time together to get to see their cousins and to reminisce about the past year and what the future brings. What is the latest thing going on in their young lives. Who is the new boyfriend/girlfriend? What is going on in school? And now our children are talking about careers, significant others and more. The women are in the kitchen cooking, cleaning, baking and getting ready for the big meal. And when I say big, I mean REALLY big.

The men are either playing pool upstairs or watching THE FOOTBALL GAME.

We always have all the family and many friends over to enjoy and be a part of our festivities. I would not change any of these memories for anything in the world. These are great traditions that we have made for our family. This is also the one time of year when we take lots and lots of photos, and sometimes even hire a Professional Photographer to be a part of this celebration. I so enjoy bringing out all our photos and scrapbooks to share with all our family. What great conversation, what great memories.

Over the years more and more of our beloved family members have passed away. However, with our photos and scrapbooks, it momentarily freezes time and brings or past to the present and we can enjoy yesteryear.

Why not make some special Traditions this year with your family? If you ask any member of my family, especially the kids what is their favorite time of year... They all say Thanksgiving at our house. Why??? Because it is a TRADITION- No one is invited... Everyone knows- To come and enjoy. Once today is gone it will never come back.

A Thanksgiving Day Prayer
Author Unknown

**Lord,
We humbly ask Thy blessing
on the turkey and the dressing,
on the yams and cranberry jelly,
and the pickles from the deli.**

**Bless the apple pie and tea,
bless each and every calorie.
Let us enjoy Thanksgiving dinner.
Tomorrow we can all get thinner.**

**For all Thy help along the way
we're thankful this Thanksgiving Day.
We're thankful too, for all our dear ones,
for all the far away and near ones.**

**Although we may be far apart,
we're together in my heart.
Keep us in Thy loving care,
This is my Thanksgiving prayer.**

Digital Scrapbooking Day - Observed the first Saturday in November starting 2007. This observance is to celebrate all that today's technology can do to help preserve precious memories. This holiday was created to encourage scrapbookers, photographers, crafters, and genealogists to set aside some time to preserve, document, and archive their memories digitally. Official Website: www.digitalscrapbookingday.com.

We are so excited about our newest addition to our team- ASHLEY- she is awesome, she has a GREAT personality and is eager to learn all there is and to meet our wonderful scrapbook family. So come on by and say HI!

We will be closed on Thanksgiving Day- but we will be open early for the day after Thanksgiving- known as BLACK FRIDAY- we will have some great sales and surprises going on- but you will need to stop by and see what all the excitement is about.
