HAPPY NEW YEAR - JANUARY 2008

Can you believe it is 2008? Where did the year go? It's amazing how quick time passes. It seems like I barely got last year's holiday decorations put away! Unfortunately, we have no control over Father Time. That is why I am so grateful that I scrapbook. On a page I can freeze time. I can capture that special moment, create an amazing layout, and I can captivate memories for those around me for generations to come and enjoy the times gone past.

I truly hope everyone had a very Merry Christmas. Our Christmas was probably one of the best I have ever had. All the family was here, we had a great time catching up and just being together. I must have been a really good girl this year.

I want to take this time to thank each and every one of my beloved customers for yet another fabulous year.

I have already been asked "Have you made any New Year Resolutions?" and my answer is YES... My number one resolution is NOT to make any more resolutions because I already know I won't keep any of them for more than a day anyway, and besides I need to scrap more pages and I know I need to lose weight and exercise more! (Yes we ALL make the same resolutions year after year).

So here's to another great year. Thank you to all my loyal customers- and I can't wait to see what 2008 has to bring.

Happy New Year everyone!

We would love to hear your suggestions on future classes! Send your suggestions and comments to me at: imaginethatcrapbooks@yahoo.com
