MARCH 2008

There is so much happening in March- There is St. Patrick's Day, Good Friday, Easter, Day light Savings, Spring Break, New Inventory from CHA arriving.... Whew! Where is the time going?

*We just attended the largest Craft and Hobby Show of the year in Anaheim California. It continually surprises me how much this hobby has to offer. How many new vendors there are. It is overwhelming with all the new products, the latest trends, the hottest items. **WHAT'S HOT???????? ACRYLIC!***

We are so happy with all the products that we purchased. We picked up several new lines including : Piggy Tales, ScrapOnizer, Crate Paper, Scor Pal, Crafter Companion, Best Creation, GCD - just to name a few - so watch your emails and check in with the store- new items will be arriving daily over the next several weeks. Did you know that March is National Craft Month ?

What a great reason to have some fun! We offer so much more than just scrapbooking. We have a huge selection of rubber stamps, card making and ideas on so many crafting projects.

Why not try your hand at paper mache, stenciling, decoupage, collage making, or even home décor!

Sabrina's classes have been such a huge hit, she is going to be teaching yet another class this month! Her February class completely filled up in February in less than 2 days! So if you are interested in taking her class this month, don't be left out again- Hurry and call the store to register. She will be making a "Picture Tree". You will be learning a variety of techniques- including painting, wire, glitter, sepia etc.

Crafting is such great fun and is a family hobby. It's fun, it's creative and it brings families closer together. Why not make crafting a year round hobby. Choose a date, and come on down to the store and work in our studio.
