VALENTINE'S DAY CRAFTS

It's hard to believe, We survived the holidays, we rang in the new year and now it's time to think about Spring. After all its just around the corner.

February is the shortest month but it has been dedicated to all things BLING! Look for all the fun embellishments and even classes that scream bling. Gotta love it! Some of my personal favorite things BLING are the self adhesive jewels from Bazzill and I LOVE Extreme Glitter Paints! The more it glimmers shimmers glitters the more I love it!

VALENTINE'S DAY

Valentine's Day is February 14th, it is the one day out of the year where we get to show those we care about most how much they mean to us.

The best Valentine I ever got was made by Ronnie a few years ago while attending a Trade Show, at the time I did not realize how important that card would ultimately mean to me.

He could of just as easily gone out and "bought" me a generic card, but instead he put his heart and soul in making me this card. It sets on my workstation so I can see it every day, Oh the memories.

Make this Valentine's Day even more exceptional and show that someone special just how much you care and make them a handmade card.

With Valentine's Day in just a few days you may be needing a few last minute card and craft ideas, so stop by the store and talk to the girls about some of their upcoming classes.

We have so many new things happening at the store, and we are so excited to share some of them with you-

- We will be attending the largest craft trade show in LA this month.
- We have opened up an entire "travel" area in the store.
- New displays have been added, and the girls have been moving things around to make your shopping experience the best ever!
- Added more inventory to our baby room.
- More classes offered every month.
- And the girls will be participating monthly (hopefully:) with our newsletters, so watch for Krista's Chit Chat Korner and Meg's Memoirs

Remember we are YOUR scrapbook and craft store and we are to help you in every way we can so please feel free to email us with any questions, concerns, tips, comments, suggestions, etc. at: imaginethatscrapbooks@yahoo.com and Krista (or myself) will gladly respond to all emails.

Don't forget to sign up for Krista's FREE organizational seminar starting February 12th. This is a FREE seminar but you must pre-register, so call the store at 622-5252 and get your name on the list, and ask how you can earn a FREE crop!

Krista's Chit Chat Korner!

Hey Everyone! Thank you for stopping by my spot! With the New Year, we thought we would try some new things. Many of you have seen the new store layout, we will be getting all new computers and software for our cash registers, our website is going under renovations to make it a little more user friendly, we will be starting our blog back up, and of course KRISTA's Chit Chat Korner! So I hope you enjoy your reading!

Can you believe it is that time of year?!
Yes, I mean CHA Winter tradeshow!!

We will be leaving soon for LA and plan on doing lots of shopping. We hope we will see great new lines to bring back to the store, as well as new product from those favorites that we have. You know there is something else I can't believe, Aedan will turn 1 on the 27th of January! It is hard to believe that he is nearly a year old. It seems like just yesterday that I was pregnant... and now he is that fiery, energetic, happy, little red head we all know and love! I never knew I could LOVE someone as much as I LOVE that little boy. With that said what a great spin on Valentine's Day! Scrapbooking Valentine's Day doesn't mean it has to be a significant other. This is a day to celebrate all love... love of your husband/wife, children, parents, pets, or how about something you love: type of food, music, pastime, whatever! All of these are a type of love so why not! Hopefully you will have fun and challenge yourself to use that fun Valentine's Day stuff to scrap a different type of love!

Also, don't forget to also check out our coupons on CouponBug.com, "Like" us on Face book, Check out our upcoming classes... and ask me how you can get Krista's Class Kard (to earn a free class.) Gotta LOVE that!!!

XOXO,

Krista

Heart Felt Quotes

I love you not because of who you are, but because of who I am when I am with you.

No man or woman is worth your tears, and the one who is, won't make you cry.

*Just because someone doesn't love you the way you want them to,
doesn't mean they don't love you with all they have.*

A true friend is someone who reaches for your hand and touches your heart.

*The worst way to miss someone is to be sitting
right beside them knowing you can't have them.*

*Never frown, even when you are sad, because you never
know who is falling in love with your smile.*

To the world you may be one person, but to one person you may be the world.

Don't waste your time on someone, who isn't willing to waste their time on you.

*Maybe God wants us to meet a few wrong people before meeting the right one,
so that when we finally meet the person, we will know how to be grateful.*

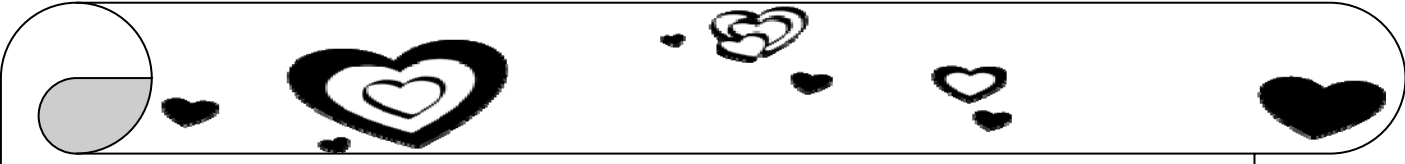

Don't cry because it is over, smile because it happened.

*There's always going to be people that hurt you so what you have to do is keep on trusting
and just be more careful about who you trust next time around.*

*Make yourself a better person and know who you are before you try
and know someone else and expect them to know you.*

Don't try so hard, the best things come when you least expect them to.

A man who fell in love with a fellow passenger onboard a flight got the airline to help him track her down. Michael Young fell for Juliet Lever on a Flybe flight from Belfast to Newcastle. Juliet, who was in seat 2B, and Michael, who was in 2C, hit it off instantly. Sadly, Michael was too shy to ask Juliet for her number.

He pined for her so much after they parted that he contacted the airline and begged bosses to ask her to get in touch. They obliged and Juliet, 29, phoned him and they agreed to go out to dinner. A whirlwind romance followed and they are to get married next month.

Juliet, who now lives with Michael in Manchester, said, 'Every girl dreams of a fairytale romance and you couldn't get better than this.'

Flybe's Head of Customer Relations, Ella Jones commented, 'Michael's tale pulled heart strings so we played cupid.'
