

Imagine That! Scrapbooks & Gifts is ready for Christmas! Are you?

You've seen the commercial, you've heard the name, or maybe you haven't, but you're not sure what kind of a store we are. Let's get acquainted.... we are more than just a scrapbook store. We have a coffee bar, a large workroom that also serves as a party room or meeting room. We sell balloon bouquets, *Webkinz* stuffed animals, gifts, purses, camera bags, frames, jewelry and even have *Kerusso Christian* shirts and hoodies in adult and children sizes too! Bring in your church bulletin anytime and we will donate \$1.00 to your church.

We have a professional photography studio that can be rented by the hour, where you can save time and money by becoming your own photographer.

Of course we have scrapbooking supplies, but did you know that scrapbooking supplies can also be used for decorating, arts and crafts. Why not make some holiday ornaments, or handmade cards and gift tags as well as gift wrapping your gifts with our supplies instead of using commercial rolled wrapping?

Come see what we have to offer and let us help you get inspired! Come see some of the items that can be made from ordinary household items.

Every day is a new day at Imagine That! Scrapbooks & Gifts. The only limit is your imagination!
